

# 机械结构力学及控制国家重点实验室

State Key Laboratory of Mechanics and Control of Mechanical Structures

---

## **Invitation: The Workshop on Mechanics of Smart Materials and Structures**

Dear Colleagues,

You are invited to the Workshop on Mechanics of Smart Materials and Structures held on 22-24 August, 2018 in Nanjing University of Aeronautics and Astronautics (NUAA), Nanjing, China.

The objective of this workshop is to bring together researchers from abroad and domestic to exchange ideas and share views on the topics of smart materials and structures. Topics including: Design, Fabrication, Mechanical Analysis, Fracture Analysis and Applications of Smart Materials and Structures, but not limited to these topics. Researchers from other aspects of mechanics are also welcome.

Deadline for abstract: Please send it to [yshi@nuaa.edu.cn](mailto:yshi@nuaa.edu.cn) before 15 Aug. 2018.

Schedule:

22 Aug.	23 Aug.	24 Aug.
Registration	Presentations	Presentations

No registration fee is needed.

Hotel:

If you need help for hotel reservation near NUAA please contact with the Secretary:

Dr. Yan SHI at [yshi@nuaa.edu.cn](mailto:yshi@nuaa.edu.cn) or

Tel No.: 13405851406.

We are looking forward to seeing you in this workshop.

With kind regards,

Cun-Fa Gao

Workshop Chairman
